

## Web Quiz 1 - How good are you at finding the facts?

1. Find the name of any three star hotel in Prague. How much would it cost for a double room there for one night on August 16<sup>th</sup> this year?
2. You want to buy a new 24 inch widescreen, flatscreen television online. Search for the cheapest model currently on offer. (Give the name of the model, the price and the name of the online store).
3. What is the temperature right now in Bedford? (Weather sites vary so you might like to confirm your answer with as many sites as you can find). *Hint: Look at the Silver Surfers home page first!*
4. Give the name, address and telephone number of any dentist accepting NHS patients in Scunthorpe, Lincolnshire.
5. What is the email address of the mayor of Bedford?
6. What is the email address of the President of the United States of America?

### CAPITAL LETTERS

The answer to each of the following five questions is a capital city. The initial letters of the five cities will spell the name of a country. To solve the puzzle you must name the capital of that country.

- Capital I. At the heart of this city is a 350 acre garden called the Retiro.
- Capital II. In this African capital a million cedi is worth about sixty British pounds.
- Capital III. Francisco Pizarro founded this South American city in 1535.
- Capital IV. The ancient name of this city is Edo.
- Capital V. You might eat pastitsio in a restaurant in this city.

Put the initial letters of these answers together to spell a country. Your final answer is the capital city of that country.
